UVI Research Day

Thursday April 9, 2015

UVI Research Day provides the Virgin Islands public exciting and informative research performed by all the colleges and schools of the University of the Virgin Islands.

Its format of both roundtables and poster presentations allow the general public to have one-on-one interactions with our researchers.

Students, faculty and staff showcase diverse topics that impact our community, our youth and the Territory.

April 9, 2015
9:00 am - 3:00 pm
