MESSAGE FROM THE PRESIDENT OF THE UNIVERSITY OF THE VIRGIN ISLANDS

Congratulations to the best employees on the planet!!! Some might think this is an exaggeration or an insincere statement. It is not. There are numerous moments when I witness UVI staff, administrators, and faculty working together to implement initiatives and projects; taking on challenges that others avoid; being consistently creative and committed, and I feel so proud to be part of this community. Though the Service Awards program primarily recognizes those employees who have reached certain milestones or are retiring, I believe this ceremony is a celebration of all employees. It is the University's way of saying to the world, we have some of the "best employees on the planet."

I am especially proud of those who have reached the marks of 5, 10, 15, 20, 25, 30, 40 and even 45 years. Your contribution is not just a measure of time, but a testament to your commitment, service, and dedication. To those who are retiring, we are humbly grateful for your many years of service. We are thankful that you gave so much of your working career to the University of the Virgin Islands, and we wish you endless blessings as you enter the next stage of your life. We may not build a statue in your honor, but the lives you touched will stand taller forever because you gave us a precious part of yourselves.

A young boy once asked his mother, "what can I do with my life that will make me famous and rich." His mother replied, "do what you love," and "even if no one knows you or gives you a lot of money, you will have achieved the greatest task of life, which is self-fulfillment." I hope that each of you are doing what you love, even if you are frustrated at times. I hope you know that you are making a difference, even if you can't see the difference all the time. I hope that you know that your service to this University is deeply and sincerely appreciated, even if I don't say it all the time.

Thanks for making this University one that so many people are proud to claim. Congratulations to all those who are being honored today, for you are standing up for the rest of us.

Sincerely and with Contagious Enthusiasm,

David Hall, SJD
