

Call for Poster Artists

The Agriculture and Food Fair of the U.S. Virgin Islands, Inc. is now accepting art submissions for our 2021 AgriFest poster. Whether you are a world famous or an aspiring artist, seize the opportunity to represent the February 2021 event and the 50th Anniversary of AgriFest. The chosen artwork will be showcased to promote over 10 multidisciplinary events. A panel of judges including AgriFest board members will review submissions and select the artwork that best reflects the look and feel of the 2021 agricultural expo and our 50th season. The selected poster artwork becomes the exclusive property of AgriFest and will be the icon for AgriFest 2021 event and related activities. The winning artist will be contracted at \$1,500 and will receive 50 posters from AgriFest for the sole purpose of promoting the artist's work.

Theme

The poster should reflect the theme of 2021 AgriFest: "Agriculture 2021: A Golden Opportunity to Grow". Please refrain from depicting carbonated beverages, weapons or any alcohol products in the artwork

Deadline

Why do I need to submit my printed poster by October 5, 2020 if the event isn't until February 2021?

We also will use the final artwork to market the event as the official poster of AgriFest 2021.
