**DATE:** December 6, 2011

As you all know, 2012 marks a significant milestone in UVI's history and development; the celebration of its 50<sup>th</sup> Anniversary. With the theme *Honoring Our Past – Creating Our Future*, we will be celebrating our past successes, recognizing our distinguished alumni and solidifying our future for generations to come. The first activity of the Golden Jubilee Operations Committee (GJOC) was to facilitate your participation in the selection of our Golden Jubilee logo. We were especially pleased with your responsiveness and the numerous comments and recommendations that were incorporated into the winning logo. You may gain access for use of logo via the Public Relations Office.

Our next step is the recruitment of faculty, staff, students and alumni to serve on Golden Jubilee sub-committees which will be responsible for the implementation of celebratory events approved by the Honorary Committee. Below is a partial listing of the present sub-committees.
