A. Master of Arts in Educational Leadership
   (Presentation/Discussion/Action)

   Dr. Denis Griffith, Professor of Education in the School of Education, presented the proposal for the Master of Arts in Educational Leadership, as approved by the faculty.

   The Master of Arts in Educational Leadership is a rigorous program designed to prepare aspiring principals, assistant principals, and other educational professionals for leadership positions. An additional five courses will be added to the degree program in order to meet the current certification requirements and mandates of the Virgin Islands Board of Education and the Department of
Education. Adding the additional courses raises the level of the program to a degree and eliminates the need for the concentration. The additional courses are currently being offered by the School of Education and will not require any additional human or financial resources. The ARSA Committee voted unanimously to accept the proposal as presented. There was one abstention. The committee’s recommendation is being forwarded to the full Board for review and action.

Amendment to the Orientation Process for New Members of the Board
(Presentation/Discussion/Action)

At the AGB Workshop for the Board of Trustees held this past March, five (5) Action Plan Items were developed and approved by the Board. The Governance Committee reviewed the items and made assignments to board committees to review and complete the actions.

Item #3: Develop Board Mentorship program was assigned to the Governance Committee for completion. At its meeting on May 20th, the Governance Committee agreed that all new members should be afforded the opportunity to be paired with a senior trustee mentor. Members also agreed that putting a policy in place would be helpful and would allow the Chair of the Board to make such appointments. Language was developed for insertion into the current policy for the Orientation Process for new members of the Board. The Committee is seeking an amendment to the approved process.
