

## Wireless Network Access in the Dorms

Depending on which dorm you live in on campus, you will be connecting to one of five SSIDs. Please see the legend below.

Dormitory	Wireless SSID
East Halls	UVI_EHall
South Dorms	UVI_SDorms
North Dorms	UVI_NDorms
Middle Dorms	UVI_MDorms
Faculty East	UVI_FEDorms
FF – St. Croix	UVI_Dorm_WIFI
HH - St. Croix	UVI_Dorm_WIFI
DD - St. Croix	UVI_Dorm_WIFI
BB - St. Croix	UVI_Dorm_WIFI

When you open Internet Explorer, you will receive a security certificate message. Please click 'Continue to this website'.

You will then be redirected to a log in screen.  
Username = 9XXXXXXXXX  
(Student ID)

**\*Please Note\***

In order to use the wireless network, you must log on to a computer in the computer lab and change your initial password.

If your username/password is incorrect, you will receive the adjacent message.

You will also receive this message if you haven't changed your initial password from 'WelcomeUVI'

If you receive this error, please contact the HelpDesk @ ext 1466 for assistance.

Once you have been granted access, you will receive the following message.

This means that you are connected to the wireless access and can now surf the web.

Enjoy 😊
