* Includes all students declaring an Education major; based on self-reported information. Currently, there is no way to access information to identify if students have met the requirements for admission into the Education Division. Admission into the Education programs begins with Education 250/216 and by application. Students generally apply at the beginning of their sophomore year. Admission can normally be secured by the second semester of the sophomore year. In order to qualify for admission, students must complete general education requirements in Communication, English, Science and Mathematics as identified in the latest catalogue and have earned a minimum grade of "C" in these courses, have a cumulative grade point average of at least at 2.33, attain a passing score for the Praxis I Exam, pass the English Proficiency Exam, the Computer Literacy Exam and a pre-admission interview. The previous information is based on the 2009-2011 Catalog.
