YOUTH OCEAN EXPLORERS SCHOLARSHIP APPLICATION

Thank you for your interest in our Youth Ocean Explorers Summer Program! We are offering “2” Scholarships for the Youth Ocean Explorers Program for 2016. To apply for these Scholarships, here’s what you need to do:

1. Record a 1-2 minute video of yourself providing responses to the following questions. (Your parent can help you put together your responses but the student should be the person on camera speaking. Remember to have fun when making the video but do not lose sight of the purpose of making the video.)
   
   A. Tell us why you should be a Youth Ocean Explorer. What makes you unique and stand out from other applicants.
   
   B. There exists a deep fear of the marine environment by some Virgin Islanders. In what ways would you help to change that.

2. Upload your video to our Facebook page (UVI Center for Marine and Environmental Studies).
https://www.facebook.com/UVI-Center-for-Marine-and-Environmental-Studies-273484617154/?ref=aymt_homepage_panel (This hyperlink will direct you to our Facebook page)

3. Once all video submissions have been reviewed, applicants will be notified via the contact information provided in the general application about the selection for the scholarships.

Should you have any questions about this program or the scholarship process, do not hesitate to contact us.
