ACKNOWLEDGEMENTS

With an increase in demand for data on the Virgin Islands, the Eastern Caribbean Center (ECC) of the University of the Virgin Islands presents its third statistical digest. The following persons are acknowledged for their various contributions in the publication of this document.

We are grateful to Dr Michael Levin of the US Bureau of the Census for reviewing a draft version and for providing recommendations for improvement.

Ms Annette Gumbs, Research Analyst at the Eastern Caribbean Center, was largely responsible for directing this work through most of its development. Mr Rameshwar Srivastava, Survey Statistician, provided input in data collection methods. Mr James Richardson, Research Analyst, assisted by gathering and compiling data.

Dr Henry Smith, Vice Provost for Research and Public Service, was very helpful in obtaining rainfall and temperature data. Ms Lauritz Mills, Director, Bureau of Economic Research, made available data on tourism. Ms Gloria Roberts also helped with procuring these data. In the Department of Education, Dr Noreen Michael, Assistant Commissioner, Ms Hyacinth Walters and Mr Randolph Thomas were instrumental in helping ECC obtain education statistics on the public and nonpublic school system. Dr John Ambrose, Director of Institutional Research and Planning, made available education statistics at the University of the Virgin Islands. Mr David Barber, Director of the Bureau of Labor Statistics, Department of Labor, provided information on the labor force and on employment. Data on HIV/STD were shared by Dr Lois V. Saunders and Mr Jasper Lettsome in the Department of Health’s STD/HIV/TB program. Voters and Election data were provided by Mr John Abramsen, Supervisor of Elections, and Ms Natalie Thomas, Deputy Supervisor of Elections.

In the VI Police Department, crime data were provided by Ms Riise Richards and Cpl. Ivan Rampersad. Also, in the Department of Human Services, Commissioner Sedonie Halbert and Ms Lynn-Berry Rodina assisted in providing the data that were requested.

The Eastern Caribbean Center is grateful to its many supporters of this issue.
