When & How to Register with LAP
It is recommended that students who are cognizant of their special needs request physical or academic accommodations and arrange for accommodations or other needed services. To make an appointment, please call: Doris Farrington-Hepburn, Counseling & Career Center Supervisor at 340-692-4187 or Dr. Lucia DiMeo, Psychologist at 340-692-4223 in The Counseling & Career Center - located at the Evans Center, Rooms 720 & 721 on the University of the Virgin Islands’ St. Croix Campus.

If You Have A Disability But Do Not Register with LAP
It is the student’s responsibility to register for LAP at the Counseling & Career Center in order to receive services congruent with a learning, emotional or physical disability. However, disclosure of a disability is voluntary. Students with a disability who do not require or do not wish to request an accommodation, do not have to disclose any information pertaining to said disability. LAP is not responsible for providing services to a student with a disability who does not register. Reasonable accommodations cannot be granted retroactively.
