

# Albert A. Sheen Campus

## UNDERGRADUATE PROGRAMS

### *Bachelor of Arts Degree*

Business Administration	Humanities
Communication	Inclusive Early Childhood Education
Criminal Justice	Interdisciplinary Studies
Elementary Education	Psychology
English	Secondary Teacher Preparation

### *Bachelor of Business Administration Degree*

- Accounting
- Hospitality and Tourism Management
- Information Systems and Technology
- Management
- Marketing

### *Bachelor of Science Degree*

Computer Science	Maritime Management
Criminal Justice	Nursing
Interdisciplinary Studies	Psychology

### *Associate of Arts Degree*

- Inclusive Early Childhood Education

### *Associate of Science Degree*

- Computer Science
- Physics

### *Associate of Applied Science Degree*

- Agricultural Business
- Agroecology
- General Agriculture
- Horticulture
- Criminal Justice
- Process Technology

### *Certificate Programs*

- Applied Computer Science Technology (ACS Tech)
- Aquaculture
- Biomedical Laboratory Science
- Broadcast Communication
- Data Science
- Entrepreneurship
- Forestry and Nursery Management
- General Agriculture
- Horticulture
- Inclusive Early Childhood Education (IECE)
- Music Industry
- Psychology with a Concentration in Human Development
- Secondary Teaching
- Teaching English as a Second Language (TESL)

## **GRADUATE PROGRAMS**

Ph.D. in Creative Leadership for Innovation and Change  
Education Specialist in School Psychology  
Executive Master of Business Administration  
Master of Arts in Educational Leadership  
Master of Arts in Mathematics for Secondary Teachers  
Master of Arts in Psychology  
Master of Arts in School Counseling and Guidance  
Master of Accounting  
Master of Business Administration  
Master of Public Administration

## **Campus Overview**

The 130-acre campus of the University of the Virgin Islands on St. Croix is located at Golden Grove, mid-way between the towns of Christiansted and Frederiksted. Used by the University since 1964, the land was deeded to the University for educational purposes by the United States federal government in 1968. The entrance to the campus, from Queen Mary Highway, is lined by royal palm trees leading to the Research Technology Park, Melvin H. Evans Center for Learning, the Delta M. Dorsch Complex and the Student Center. The main buildings include the Great House, which housed both classrooms and administrative offices before 1975; the Melvin H. Evans Center for Learning (the main academic building); the Northwest Wing, which was erected in 1989 and now houses the computer laboratories; the Research and Extension Center, which opened its doors in 1992 and houses the land-grant programs; and the nursing complex, which has been home to the School of Nursing since 1996.

The Student Center houses a cafetorium, the Snack Bar, the Office of Student Activities, the Student Activities Lounge, the BUCS Fitness Center, a student mail room, and the Campus Bookstore. Behind the Student Center are outdoor basketball, volleyball, tennis courts, and soccer fields used for physical education classes, intramural athletics, and recreation. The soccer fields were established in July 2013. The Delta M. Jackson Dorsch Complex opened for student occupancy in January 1999. The residence hall complex comprises 17 three-bedroom suites, the Office of Student Housing & Residence Life, a reception area, lounge, two study/seminar rooms, laundry facilities and on-campus living quarters for the student housing supervisor.

## **Melvin H. Evans Center for Learning**

Opened in 1976, the Melvin H. Evans Center for Learning is named for the U.S. Virgin Islands' first elected governor. This architecturally unique building is a modern air-conditioned, multi-level complex constructed around a landscaped courtyard with open-air walkways, galleries, attractive stonework, tropical foliage, miniature waterfalls, and manmade ponds.

The Melvin H. Evans Center for Learning houses the library, classrooms, faculty offices, video conferencing facilities, and a 73-seat theater. It also houses several student support services, such as academic services, financial aid, the Center for Student Success (CSS), the Office of the Dean of Students as well as the campus operations, business services and campus security offices.

## **BUCS Fitness Center**

In 2007 the BUCS Fitness Center was added to the Student Center. This 900 sq. ft. facility houses state-of-the-art fitness equipment and is fully staffed by students.

## **The Great Hall**

From 2006 – 2007, the Albert A. Sheen Campus established several new facilities to enhance student learning and campus life. The North West Wing Great Hall is a multi-use space that can be configured to three classrooms or one large assembly space that seats up to 200. This space opened in conjunction with several new faculty offices and two classrooms in the Northwest Wing Annex.

## **The Great House**

Before construction of the Melvin H. Evans Center for Learning was finished in 1975, all classes on the Albert A. Sheen Campus were conducted in the Great House, a 19th century historic building that was originally the main house of a sugar cane plantation. Completely

renovated in 2001, the Great House now includes the Office of the President, Office of the Provost and the Health Services Center on the Albert A. Sheen Campus. Across from the Great House in Building B is the Caribbean Writer and the Office of Physical Plant and Maintenance.

## **Melvin H. Evans Center Library**

See pg. 3 for information on the Albert A. Sheen Campus library.

## **Research and Extension Center**

The Research and Extension Center contains several programs of the Agricultural Experiment Station and the Cooperative Extension Service. This state-of-the-art facility is home to the Biotechnology Laboratory, with its light- and temperature-controlled growth room, and molecular biology equipment; the Plant Science laboratory, where research is conducted in the areas of soil and plant analysis; a home economics food laboratory and four seminar rooms; 16 research faculty and staff offices; and a staff lounge. Also housed in the Research and Extension Center is the Office of Institutional Advancement on the Albert A. Sheen Campus.
